With fall here and much needed rain in the forecast, it is time to plant your cool weather plants. The rabbit keeps eating my broccoli plants.

Recently, Master Gardener Bob Grafe retired from hosting the KWED Saturday garden show. Thank you Bob for your many years of dedication to the program. The Saturday garden show is now in hiatus status with no known future.

It is sad to report that our Master Gardener Dave Elder has recently passed. He served as a TMG Board of Director for many years. At our October membership meeting, we will be electing a member to fill his shoes.

You have three more months this year to get those volunteer hours in. Volunteer opportunities are listed in our monthly newsletter. You also can email Cindy Waechter or Kay McElveen for assistance.

Sincerely,
Cynthia Lyssy

Remembering Dave Elder

Our friend and fellow Master Gardener, Dave Elder, passed away on 10 September 2017 due to a massive stroke. Dave was a dedicated Master Gardener graduating from Class 23 in 2011. Immediately upon certification, Dave joined the Board of Directors as the Publication's Chair and served in that capacity until this year. In 2013, Dave took the Earth Kind Specialist Training at College Station and went on to earn his Specialist certification. As a former educator, Dave donated his time and efforts to the Master Gardener classes, serving as Assistant Coordinator to Class 25 in 2013 and as Class 26 Co-Coordinator in 2014. He served as a Mentor and in a couple of cases as a Tutor helping students tackle the Master Gardener Handbook and take home tests. He was instrumental in implementing and transitioning Guadalupe County to the automated Volunteer Management System (VMS) for recording our volunteer and continuing education hours. Dave spent many hours delivering one on one training to members to help them transition to the new system. Dave represented the Guadalupe County Master Gardeners for several years as one of our Directors on the Texas Master Gardener Association Board of Directors. While serving as a Director he was on the state outreach committee for a couple of years. Dave's friendship, mentoring, and service to the organization will be greatly missed!

Bob Davis, our 2012 President, remembers, "Dave was a very articulate man and when seeking his council, he was always very helpful in providing suggestions and solutions in areas of transition. He was a great mentor to many and I will miss his candid humor."

Bob Teweles, our 2014 President, says "Dave consistently gave of his time and wisdom to support the Master Gardener program."

Jose Contreras, our 2015 President, remembers "Dave was a welcoming regular at MG Classes offering a smile upon seeing you...unless of course you failed to offer him a cup of coffee, cookie or salty snack to eat."

Dave's wife, Barbara, has indicated Dave will be cremated and then buried in Indiana with his parents. In lieu of flowers, Barbara has asked for donations to the Guadalupe County Master Gardeners for the Dave Elder Memorial Fund. The Memorial Fund will be used to buy children's horticultural library books for the Seguin, Marion, and Schertz libraries and/or a donation to the Gardens at Texas A&M, the new teaching and demonstration garden which opens in 2018 and of which Dave was a huge supporter. There will be a Celebration of Life on Saturday, 28 October, from 1 to 4 PM at Countryside Ceramics, 1739 Weil Road, Marion TX 78124.

Upcoming Meeting Speakers

Thursday, October 19th - Our own Jerry McNulty will speak to us on plant propagation in preparation of our March/April 2018 plant sales.

Thursday, November 16th– Bill Runyon will be speaking on a very controversial subject in Texas- Weather!! We've had a lot of it lately!! Bill is a volunteer with a group called CoCoRaHS, which is a group of volunteers all across the country, Canada and the Bahamas who record precipitation. The data collected by the group is used by the Natl Weather Service and you may want to consider becoming a volunteer too after you hear this interesting talk. We will also have the election of officers

Friday, December 1st- Christmas Social, Faith Lutheran Church, Seguin, TX 6:00 - 9:00 pm

FUNDamentals of Gardening Photography

Taking pictures one likes in and around one's garden will be the focus of Guadalupe County Master Gardeners Lunch and Learn program Wednesday, October 5, 2017 at the AgriLife Building in Seguin.

To prepare the presentation, Bob Cox is asking those who may attend the session to pose questions to him about photography in garden settings that he might discuss during the event.

For example, one topic Cox will discuss is the importance of getting “stable” images. “Soft” or out of focus images might work well if enlargements are not going to be made, but any increase in image size also magnifies any error in sharpness. Examples will be used to illustrate subject matter.

Ongoing Volunteer Opportunities

- ◆ Every Monday the MG office/library is open from 8:30am-noon except for holidays. Volunteers are always needed. Contact Betty Hughes at 830-401-4066 or e-mail ehughes5@satx.rr.com.
- ◆ Join GCMG volunteers at the Veteran's Memorial Park in Marion every Monday from 8:00 am - 11:00 am. The park is located next to the Schulz Nursery parking lot. Contact Joyce Friesenhahn at 210-452-2404 or email omaannie2@gmail.com.
- ◆ Every Tuesday and Friday are work days at the Guadalupe County Community Garden. Check with Ann Odvody at odvodyd@swbell.net or 210-994-9664 for start hour and access at other times.
- ◆ Master Gardeners meet every Thursday, and every Saturday from 8:30 a.m. to around noon until further notice at the Gutierrez Xeriscape Park, 1231 Borgfeld Rd, Schertz for tree pruning, weeding, mulching, superstar plant bed creation, and general plant/park maintenance etc. Bring water, sun protection, gloves, tools, and a team attitude. Points of contact are: Kim Darrough @ kimdarr70855@yahoo.com or 314-799-3295; or Judy Stanley at jstanley20@satx.rr.com Please email Kim to be added to the notification list in case of changes in the schedule.
- ◆ Every Friday at 9am is a workday in the gardens at the Big Red Barn. Check with Janice Knobles at 830-379-6193 or e-mail jmknobles@yahoo.com for details.

2017 Guadalupe County Fair

The Guadalupe County Fair is in just a couple of weeks, October 12th - 15th, it's time to line up your horticulture entries and do your final preparations. This is a great opportunity to show off your growing skills and maybe win a ribbon and bragging rights for your efforts. Entries are accepted on October 11th from 2:00 p.m. to 8:00 p.m. and on the 12th from 8:00 a.m. to 9:00 a.m. Judging is at 9:30 a.m. on Thursday. With every entry you receive a free pass for the fair which is great if you have a large family. Have five in your family? Enter 5 items and you're all in for free! This is our chance to show the public what can be produced in our area and give them ideas.

The County Fair is also a fantastic way to get your volunteer hours in before the end of the year. There are still a few shift openings on Friday and Saturday, and several openings on Sunday. We need your help! Working the fair is a lot of fun, it's indoors in AC, and getting to share your knowledge as a Master Gardener is very rewarding. Sign up today! You can contact me at adrippel@gmail.com or call me at (830) 379-7203, 8:00 a.m. - 4:00 p.m.

See you at the fair!

April Rippel

GCMG 2017 County Fair Coordinator

Please save for the Guadalupe County Fair

The Guadalupe County Fair will be held October 12-15, 2017. We are collecting supplies for the arts and craft projects.

We need:

- ◆ toilet paper rolls for binoculars,
- ◆ tin cans for fire flies, and red caps for lady bugs. Tin cans (15 oz. or smaller) must have the label removed and washed clean.
- ◆ Red caps from milk (such as Oak Farms or Walmart brand) must be washed clean. These caps must be the screw on type.

Toilet paper rolls and red caps can be dropped off with Carol Calentine or left at the MG office. Tin cans be left at the storage shed in the tub.

Thanks so much for your assistance.

For questions, you can email Cynthia Lyssy at cmlyssy@prodigy.net.

September meeting

The Guadalupe County Master Gardeners Facebook Group continues to grow, we're now up to 126 members! It's exciting to see so many folks interested in gardening and eager to share their knowledge and questions.

We've had an amazing month with a solar eclipse, hurricanes, stories of water logged gardens and how our poor plants have had to go from drought, to a downpour of rain, and back to drought again. It's been a challenging month for many.

In the midst of all this our FB members shared many beautiful photos including blooming cactus by William Nodine, cool bugs and wonderful blooms from Jerry McNulty, wildflowers by Mary Miller, and some very surprising blossoms that survived hurricane force winds by Mark Mullen.

Several members including Peggy Jones, Jerry McNulty, Robert Cox, and Linda Kerger posted pictures of hurricane damage, high water in their yards, and high wind impacts. Luckily, other members posted helpful hints for recovery including a Caldwell County Master Gardener who posted a great article on helping your damaged gardens and lawns to get back into shape, thank you Tommie Clayton!

On a lighter note, William Nodine shared photos of his great looking greenhouses, his fall gardens are in and look fantastic. Thank you William for inspiring all of us to get busy! As always, Peggy Jones is keeping us informed with lots of events for our continuing education opportunities and helpful articles, thanks Peggy! Mary Miller shared great DIY ideas, and we've got newbies asking harvesting and other gardening questions. Keep those posts and shares coming!

"Live streaming" at the Seguin Farmer's Market is every Saturday morning at 8:00 a.m. on our FB page. It's a good reminder to shop local for produce and farm fresh eggs at our Seguin market and you can get a sneak preview of what the farmers currently have.

If you want to join in on the fun all you need to do is log into Facebook and in the search box type "Guadalupe County Master Gardeners," the Group will show up, click on it and request to join, you're guaranteed to be approved. Still need help joining? Just give me a call at (830) 379-7203 or e-mail me at adrippel@gmail.com and I'd be happy to walk you through the procedure for joining the group or even how to create your new account for Facebook so that you can join our group, all questions are welcome.

April Rippel

Update on Class 30

Linda Heiser Baenziger

Whether you are a “newbie” or an old pro to gardening, it would be hard not to appreciate the professional effort that goes into Class 30’s gardening education. Human beings are naturally curious and seek to improve themselves and the plant world is so naturally awesome.

The learned Dr. Jake Mowrer gave a talk on his way back to Texas A&M and then practically ran to meet his next deadline. We all appreciated his breakdown of basic soil principles and nutrients. He made the chemistry behind amendments to the soil really quite fascinating.

April Rippel was one of several project leaders who have spoken to our class especially in hopes of garnering enough interest to produce volunteers for the upcoming Guadalupe County Fair. Please take time to look at my presentation there on “Pear in a Bottle” which was just too much fun.

Then began our fabulous Propagating class taught by Bob Teweles (remember the “It’s spring and we are so excited we wet our plants” sign?); Jerry McNulty of Moringa Tree fame; and Kay McElveen (who has closely shepherded her new flock of gardeners. It was a mad, mad, world working quickly with many varied plants and the Table Angels practically had to throw us out!

The “Bug Lady”, Molly Keck, wouldn’t have come at a better time than after Hurricane Harvey. The 10 inches in my yard brought many trees down and, lo and behold, there are millions of pests living in every one of them. Yuk!

Thanks to Cynthia Lyssey and her entourage for guiding our class programs with such illustrious and knowledgeable speakers. Keep it up the rest of our term and I will be so grateful with my thanks for lessons learned.

Secret Gardens of England

A movie review

Cathy Kirk

Eight secret gardens are presented in this beautiful movie. If you are having a frustrating day or just need to get away for a little while, watch this inspiring movie about privately owned gardens that are open to the public.

Each garden is unique. Some are tiny. One is built with the aging gardener in mind. There is an arboretum, and a castle with a mote. The photography, or should I say videography, is gorgeous, accompanied by soothing music and narration by Alan Tichmarsh. Included are interviews with the gardeners talking about how their ideas became reality.

I first encountered this series on PBS and was so glad to find it again on Amazon. Enjoy!

Texas Gardener Magazine

To all of you Texas Gardener Magazine subscribers (or those of you thinking about subscribing), Texas Gardener has invited the GCMG to join their Fundraising Program. For each subscription that goes through us (and yes that includes renewals), the GCMG will be able to keep 25% in its treasury. Instead of sending your renewal notice and payment to Texas Gardener, make your check payable to GCMG and send it with your mailing address to 210 E. Live Oak, Seguin, TX 78155. Give us your phone number too in case we have any questions and mark the envelope Texas Gardener subscription. The GCMG will send the subscription on to the Texas Gardener for processing. Rates are as follows: 1 year - \$24.95; 2 year - \$42.95; 3 year - \$56.95. Add an extra \$10 on the one year renewal for the Annual Calendar. You don't have to be a Master Gardener to participate, so if you have friends that subscribe, tell them about the Fundraising Program.

TEXAS GARDENER MAGAZINE FUNDRAISER

Our Treasury keeps 25% of your Texas Gardener Magazine subscription when it is sent through GCMG

The Wandering Gardener

Marilyn Moltz

Japanese Garden Seattle, Washington

Located on the shores of Lake Washington in the middle of Seattle is the Washington Park Arboretum. This is 230 acres with seven different gardens. The walking trails differ from an easy stroll to a steep up and down rolling area. Tucked in the far corner is the Japanese Garden.

Although the Japanese Garden is only 3.5 acres, it is very well laid out. It was designed to be a “strolling” garden. There are many benches to sit on and just look from each viewpoint. By sitting and just looking at your surroundings, you won’t miss the moss on the tree limbs, the turtles and Koi swimming in the water or the reflections of the trees and plants on the pond. It is a very serene garden and one with surprises around every bend in the pathway. The garden contains many Japanese maples so the colors change with every season.

This may be a small garden to some but it definitely large in many ways. Please do not miss the chance to visit this garden if you are in the Seattle area.

Christian Cupboard Garden Update

Kay McElveen

We've come a long way since the last report showing the high school kids on a mission trip cleaning up the garden area. There has been much more clearing, soil hauling and planting. It looks like we are going to have a very nice fall garden with produce to share with the Cupboard clients.

We have black-eyed peas, tomatoes of various sorts, peppers, okra, kale, spinach, etc. You will have noticed from the various photos that the garden is built around a foundation of a garage, which takes up a lot of space. We also struggle for sunlight as the space is blessed (?) with a number of large trees. The garage foundation is an area that has abundant sun, so the plans are to do container gardening there. We have some filled already and more are planned.

As I said, we've come a long way from 10' tall sunflowers (I may have exaggerated some with the 15' in the previous article. Much of that is due to the hard work of Patricia and John Watkins (Master Gardeners), Mike Bednarski (Class 30 student) and some watering

by Cindy Curnel (Master Gardener). I hope the next Update will include some pictures of harvest from all of their labors. I'm sure the clients of the Cupboard will appreciate tasting the harvest.

Christian Cupboard

August 2017 Volunteer Recognition Corner

- ◆ GCMG volunteers reported **649.75** volunteer hours in August. Volunteers have reported almost **600** more hours in 2017 than in 2016. Keep up the good work!
- ◆ **Kim Darrough, Kay McElveen, Ann Odvody, Dale Odvody, Iris Seale and Cindy Waechter** reported 25 or more volunteer hours in August 2017.
- ◆ **Kay Cover, Janice Knobles, Mark Mullen and Beth Zies** join Liliana Beaudoin Mary Bowe, Rodney Burton, Kim Darrough, Joyce Friesenhahn, Peggy Jones, Cynthia Lyssy, Kay McElveen, William Nodine, Ann Odvody, Dale Odvody, Iris Seale, Carol Suchan and Cindy Waechter in the **2017 100 Volunteer Hour Club**. Thank you volunteers!
- ◆ **76 (60%)** Master Gardeners have met hours requirement for 2018 recertification

Jerry McNulty Wins September Volunteer Recognition Drawing

25 Certified Master Gardeners qualified for the September Volunteer Recognition Program Drawing. Congratulations to **Jerry McNulty** who won a \$20 gift certificate to Maldonado's Nursery.

| September 2017 Volunteer Recognition Drawing | | | |
|--|--------------------|----|-----------------|
| Hours Reported 1-31 August 2017 | | | |
| | Name | | Name |
| 1 | Bradbury, Dixie | 14 | Nodine, William |
| 2 | Burton, Rodney | 15 | Odvody, Ann |
| 3 | Cover, Kay | 16 | Odvody, Dale |
| 4 | Darrough, Kim | 17 | Rippel, April |
| 5 | Friesenhahn, Joyce | 18 | Seale, Iris |
| 6 | Heuerman, Barbara | 19 | Skorupa, Sylvia |
| 7 | Hicks, Treva | 20 | Styblo, Mary |
| 8 | Kirk, Cathy | 21 | Teweles, Robert |
| 9 | Knobles, Janice | 22 | Turner, Pam |
| 10 | McNulty, Jerry | 23 | Ulrich, Karen |
| 11 | Meade, Connie | 24 | Watkins, John |
| 12 | Miller, Mary | 25 | Zies, Beth |
| 13 | Mullen, Mark | | |

All **25** also qualify for one entry into the \$150 Annual Recognition Drawing.

To qualify for the Monthly Volunteer Recognition Program drawing, Certified Guadalupe County Master Gardeners must report a minimum of **5 volunteer hours** earned during the month in VMS by the last calendar day of the month. Hours earned for attendance at the monthly GCMG Membership Meeting are not included in the minimum 5 hours, except those earned for meeting setup. Board members do not participate in the Volunteer Recognition Program.

Don't forget to **earn and report your hours by 31 October 2017** to be eligible for the **November** Membership Drawing.

It's Time to Recertify and Pay Your 2018 Dues

October is here and with it comes the opportunity to recertify as a Master Gardener for another year and pay your 2018 dues. Why do we pay dues? Dues pay for our administrative costs, the paper we use to print newsletters, postage for those members who do not have Internet capabilities, speaker costs and handouts at our membership meetings, etc. Dues also pay for the State mandated three-year background check for our membership to support the Child Protection Act. Dues and other money-making projects paid for our lap-top computer for our monthly meeting and the mobile speaker system we use for off site programs, and our new projector.

Chapter 6 of the Policies and Procedures Manual, approved by the voting membership in May 2014, requires the following to recertify and pay your dues.

- Complete 12 hours of volunteer service
- Complete 6 hours of continuing education
- Report hours in the on-line Volunteer Management System (VMS)
- Complete and sign the annual Texas Master Gardener Volunteer Agreement
- If your background check expires in 2018, complete and sign the Volunteer Consent for Criminal Background History Check.

Note: Background checks expire for the majority of the membership in 2018. You can check to see when you background check expires in VMS by going to General Information, Member Roster and click on your name. Your background expiration date is listed under Start Year.

It's Time to Recertify and Pay Your 2018 Dues

Guadalupe County Master Gardeners will begin collecting 2018 dues at the October Membership Meeting for those Certified Master Gardeners who have met their recertification requirements. Please remember **the Membership Chair and/or Treasurer cannot accept your dues until you have** reported the minimum hours required for re-certification in VMS, completed and signed your Texas Master Gardener Volunteer Agreement, and completed and signed your Volunteer Consent for Criminal Background History Check if it expires in 2018.

Forms are available in VMS under General Information, Newsletters/Documents, Membership Information. Forms will also be available at the membership meeting.

For **Class 28** students:

If you certified in December 2016, to recertify for 2018, you must complete twelve (12) hours of volunteer service and six (6) hours of continuing education, report those hours in VMS not later than 31 Dec 2017, complete and sign the annual Texas Master Gardener Volunteer Agreement and pay your \$20 dues.

If you certified in 2017, to recertify in 2018, you have met your volunteer and continuing hours requirements. Once you complete and sign the annual Texas Master Gardener Volunteer Agreement, you may pay your \$20 dues at the October meeting, but must pay them not later than 31 Dec 2017

Wondering Minds Want to Know – When Does My Background Check Expire?

[For the majority of our membership, your Background Check Expires in 2018.](#)

Although VMS does not contain a specific data field titled Background Check, we loaded this information in VMS under a data field titled Start Year, which can be viewed in the Member Roster under General Information. To double check when your Background Check expires, log into VMS. Scroll to your name on the Member Roster and click on your name. VMS will display a screen titled Profile of “Your Name”. The last data field on the Profile Screen is titled Start Year. Immediately following the year you started in Master Gardeners is the Month and Year your Background Check Expires.

If your Background Check expires anytime in 2018, you will need to submit a Volunteer Consent for Criminal Background History Check form before you can pay your 2018 dues. You can obtain a copy of this form in VMS. Click on Newsletters/Documents under General Information. Under Documents click on Membership Information. Under List of Documents, click on Volunteer Consent for Criminal Background History Check.

Texas A&M AgriLife requires all Volunteers to complete and sign an annual TMGA Volunteer Agreement. You can obtain a copy of the TMGA Volunteer Agreement, which is required as well before you can pay your 2018 dues, in the General Information Newsletters/Documents portion of VMS.

Guadalupe County Master Gardeners

2017 Calendar of Events

October

- 4 Seguin Lunch & Learn – Garden Photography FUNdamentals by MG Bob Cox
- 11-15 Guadalupe County Fair
- 19 Membership Meeting – Propagation by Jerry McNulty
- 24-26 Cibolo Ag Days
- 28 Pecan Fest 10:00 am – 4:00 pm

November

- 9 Board Meeting
- 16 Membership Meeting – Weather by Bill Runyon ; Election of Officers
- TBA Water Fairs

December

- 1 Christmas Social, Faith Lutheran Church, Seguin, TX 6:00 - 9:00 pm
- 2 TMG Directors Meeting
- 5 Last Day Class 30
- 6 TMGA Meeting Texas A & M, College Station
- 14 Board Meeting
- TBA City of Seguin Parks and Recreation, Christmas Tree Decorating Contest

Every Monday the MG office/library is open from 8:30AM-noon except for holidays.

Every Monday is a workday at the Veteran's Memorial Park in Marion from 8-11AM

Every Tuesday and Friday mornings are workdays at the GC Community Garden.

1st & 3rd Thursday of Month are workdays at the Gutierrez Xeriscape Park in Schertz

Every Friday morning is a workday in the gardens at the Big Red Barn.

2nd & 4th Saturday of Month are workdays at the Gutierrez Xeriscape Park in Schertz
