Please sign up for June Summer Social Potluck

If you cannot or do not want to use the online signup form, but can bring a dish, or have forgotten what you

signed up for? Contact Annette Padgett padgettboys4@msn.com or Text 406-239-0777

Please see the online food theme signup form above. Grasshopper is similar to Signup-Genius, but without any of those annoying ads! You can see who all is bringing what dish as well as what dishes are still needed from that link above, and Grasshopper reminds you two days prior to the event of what you signed up to bring! Give it a try!

No monthly membership meeting in June due to our Summer Social. July's Food Theme will be posted soon as well.

You can also find the Monthly Membership Meeting Food theme information on the [Monthly Membership Meeting Refreshments & Food](#) project page.
