Food Theme** is **Give Thanks!!!

Thanksgiving Dish Contest

As we look back at the first Thanksgiving, let's see what dishes might have been served at that historic feast! This year there will be a **Women's Division** and a **Men's Division**.

Come on, men! We know there are some talented cooks among our membership. Let's see what you've got!

🏆 A prize will be awarded for:

- **Best Dish - Women's Division**
- **Best Dish - Men's Division**

Hunters and anglers, take note! **Game meat or fish is welcome as an entrée option.** These foods would certainly have been part of the first Thanksgiving feast.

Please bring a copy of your recipe with your dish so others can enjoy making it at home.

Sign Up for Your Dish

Use the Grasshopper signup form to let everyone know what you'll be bringing:
https://grasshoppersignup.com/s/9dlnh3

If you have any trouble accessing the signup form, or do not wish to use the online signup form, can bring a dish but have not signed up yet, or have forgotten what you signed up to bring, contact:
Annette Padgett Email: padgettboys4@msn.com or Text: 406-239-0777

Why Use Grasshopper? Grasshopper works much like Signup Genius, but **without all those annoying ads!** You can:

- See what dishes others are bringing
- View which food categories still need contributions
- Update your selection if needed
- Receive a reminder two days before the event about the dish you signed up to bring

Give it a try!

You can also find information about monthly membership meeting food themes on the **Monthly Membership Meeting Refreshments & Food** project page:
