

**Native Plant Society of Texas
Guadalupe Chapter**

***Top 20 Plants to attract Birds
to your Landscape***

Join us for this top 20 countdown of the most valuable native plants that will draw birds to your yard. Birds are one of the easiest wildlife species to attract so why not get started with a new and fun project.

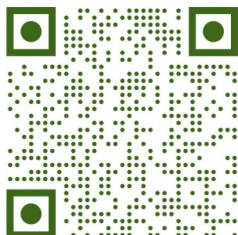

Judit Green, Urban Wildlife Biologist, Texas Parks & Wildlife: Offers outreach and technical guidance on urban wildlife and habitat management. Focused on native habitat landscaping, multi-species management to lessen ecosystem impacts, and connecting families to nature to ensure future support of our natural resources.

November 8, 2022 at 7.00 PM
